

Want to Know how to Increase Your Income by £50,000 Per Annum? (Part 10 of 12)

The Question:

Have you arranged your Home Information Pack HIP?

In the last 9 parts of this 12 part series, we showed you how to increase your income by introducing your existing and prospective clients to the very lucrative and profitable products and services available via several partners on Options4Brokers.com.

In this part, part 10, we look at the opportunities for you to help your clients who are selling and buying a property, and now by law require a HIP before an Estate Agent can market their existing property. Remember, your client will be offered mortgage advice by the Estate Agent and a HIP so protect your business by offering a **no sale, no fee HIP**.

Simply log onto Options4Brokers.com, select 'HIP' on the left hand menu and complete the on-line referral form which is then logged and your referred client is then contacted and the HIP instruction pack will be posted direct to their home address.
