

**Want to Know how to Increase Your Income by
£50,000 Per Annum?
(Part 9 of 12)**

The Question:

Have you or any member of your family been involved in an accident at work or in a car in the last 3 years?

In the last 8 parts of this 12 part series, we showed you how to increase your income by introducing your existing prospective clients to the very lucrative and profitable products and services available via several partners on **Options4Brokers.com**.

In this part, part 9, we look at other opportunities for you to help your clients who have been involved in an accident either at work or in a motor vehicle within the last 3 years.

Simply log onto **Options4Brokers.com**, select 'Personal Injuries' on the left hand menu and complete the on-line referral form which is then logged and your referred client is then contacted and their potential claim assessed. If the client has a case which can be progressed, you will receive a £300 referral fee.

Refer just four clients a year that proceed with an injury claim and you will receive £1200 additional income for simply asking one additional question on your fact find.
